XXIX. CLIENT APPROVED WORK SCHEDULE POLICY

All clients will have approved work schedules for their nurse aides for the number of weekly hours approved by Maryland Department of Health and Mental Hygiene (DHMH) and North Carolina Department of Medicaid. The standard work week is Sunday through Saturday. Appropriate Client Schedules will be reviewed and approved by Supervisor and Director. At no time should a nurse aide clock in and clock out over 12 hours consecutive for a given shift. Example: If you clock in at 8:00 a.m. until 9:00 p.m., a total of 13 hours or more are not permissible. You would only be paid for 12 hours and not the one (1) additional hour.

It is highly mandatory that all employees and clients follow the approved Client Schedule. DHMH and North Carolina Department of Medicaid along with Community Health Care DO NOT PAY for unapproved client hours. Employees must never work over approved weekly hours for their clients because those hours are unauthorized by DHMH, North Carolina Medicaid and Community Health Care. Employees must only report hours worked according to Client Approved Work Schedules for the week.

All clients and employees are informed that no pay will be given to employees when clients are in hospitals, nursing facilities, mental institutions that are not the clients' private homes. COMAR 10.09.84.14A requires that clients reside at home to receive personal assistance services. Violators will have consequences. **ONLY FOLLOW CLIENTS APPROVED WORK SCHEDULES IN THEIR PRIVATE HOMES.**

Post the Client Approved Work Schedule on the client's refrigerator if they allow you or where it can be seen in the client's home at all times.
